

**If someone sees a needle...**

**...not all medicine will help them,  
there are different types of  
medicine.**

**Medicines and cleaning products...**

**...before they use or take medicine.**

**It is important to only use or take...**

**... should be kept out of reach of  
children.**

**If someone feels sick...**

**...what it says on the bottle or  
packet.**

**People should always read the  
instructions...**

**...they should tell an adult and not  
touch it.**

**Medicines last for some time...**

**...they should tell an adult and not touch it.**

**Children should not use medicines without...**

**...given to them by a doctor, not medicine the doctor has given to someone else.**

**If someone sees cleaning products on the floor...**

**...an adult helping, unless told otherwise.**

**Someone should only take medicine...**

**...follow the instructions to be safe.**

**When using any medicine or product...**

**...so check the date on the packet or bottle.**

Baby Kai is playing in the kitchen. Eli walks in...

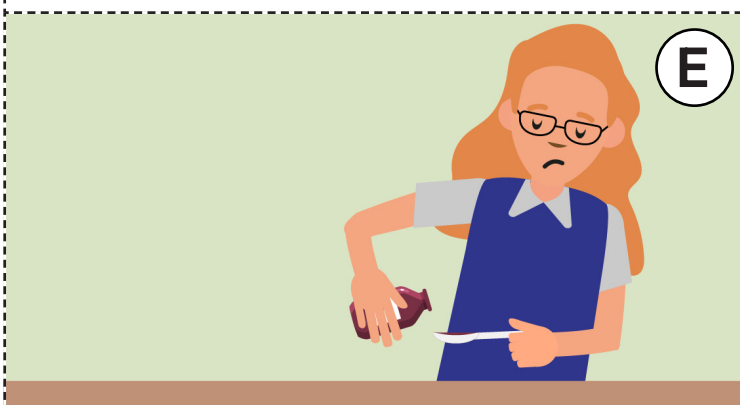

Sam is not sure what this is. Sam is wondering if it is safe to open it.

“Ooh they look like sweets!” thinks Billie. “I’d like to eat those.”

“Let’s share this medicine, it tastes like strawberries,” says Huali.

Zara has a tummy ache. Zara finds some medicine in the kitchen and thinks it will help.

Sky has found some cream in the bathroom and thinks it will make her skin soft.

**ask an adult for help**

**clean or tidy up**

**swallow it**

**say no**

**run or walk away**

**put it on their skin**

**smell it**

**taste it**

**something else**

What if...

**A**

Baby Kai cries and gets upset when Eli takes the products away from him.

What if...

**B**

Sam's friend says he should sniff it and then guess what it is.

What if...

**C**

Billie really wants to eat them.

What if...

**D**

Huali's friend says, "Yes! I love the taste, let's drink it all - yummy!"

What if...

**E**

Zara does not want to tell Mum about the tummy ache because she is busy. Zara thinks two spoonfuls of the medicine will help.

What if...

**F**

Sky's friend comes round to play and says, "Yes... let's make a face pack. We could mix lots of creams together - it will be lots of fun!"
